

INPUT APPROVAL

INDOCERT hereby approves the operation

GJ/ I /1002

of

**M/s. NICO ORGO MANURES
OPP. RAILWAY STATION, DAKOR
GUJARAT- 388 225.**

on the basis of inspections done in the input manufacturing unit and the decision of the approval committee thereafter and having found them in compliance with the standards mentioned below:

**"National Standards for Organic Production
and
the INDOCERT Directives on the interpretation and implementation of
the National Standards for Organic Production"**

The product(s) covered in this approval are listed in annexure, which is an integral part of this document.

This approval is valid until 31/12/08

This approval empowers the bearer to display or refer to the INDOCERT logo according to the indicated status mentioned in the annexure. This document is the property of INDOCERT and INDOCERT reserves the right to withdraw/modify the same as and when deemed necessary by the approval committee.

This listing is not OMRI certification or endorsement and cannot be construed as certification or listing by any of OMRI's subscribing certifiers. Final decisions regarding the acceptability of use of the product and any restrictions on its use under any particular certifier's program are made by the certifier that still has the right to decline OMRI's recommendation. Producers and handlers still need to contact their certifiers for information as to whether or not this material may be used in organic production or handling.

* See the most current *OMRI Generic Materials List* for more information plus annotations and restrictions.
